Classical Highlights 7 Nights Fly Drive

This short 7 day fly-drive incorporates Greece's most iconic classical sites, including Delphi, Olympia, Epidavros and ancient Mycenae, as well as Athens and the historic town of Nafplion.

Students of the Olympic Games will find it especially interesting, Dating from 776 BC the games of old were dedicated to the Olympian gods and were staged at the ancient site of Olympia in the western Peloponnese. Events such as running, wrestling, boxing, the pentathlon and equestrian competitions took place. Olympia was one of four venues of the original Panhellenic Games which rotated annually between them (hence why the Olympics are held every four years) and this itinerary enables visits to three of them.

As with all our fly drives we offer complete flexibility and the itinerary can be amended to suit personal tastes and interests. It may also be extended to include some R&R at the end in a resort area or on an island easily reached from Athens.

Depending on your route (1hr 30 - 3 hours) today's drive will take you to Gythion, a small seaside town known for its fish restaurants. Legend has it that the islet of Kranai just off shore, now linked by a causeway, is where Helen and Paris eloped to before setting sail for Troy.

Thessaloniki and North Western Greece 10 Nights Fly Drive

Thessaloniki is the liveliest and most vibrant city in Greece. It is also the focal point of Macedonia, one of the least known yet very interesting regions of Greece. This fly-drive, which includes a city stay in Thessaloniki, followed by an itinerary around some of the north-western regions of Greece is an introduction to these fascinating areas of the mainland.

Day 1 - Day of arrival

On arrival at Thessaloniki Airport you will be transferred to your hotel in the centre of the city. Overnight in Thessaloniki.

Days 2 and 3 - Thessaloniki

Enjoy time at leisure discovering this multi-faceted city. Take your exploration at leisure and allow yourself time to connect with the history, culture and geography of the city. Do not miss the Archaeological Museum, the Museum of Byzantine Culture, the White Tower Museum and, in the evening, perhaps attend a performance at an ancient open air Greek theatre or in what is one of the largest and most modern concert halls in Greece.

Overnight in Thessaloniki.

Day 4 - Veria

After breakfast, your car will be delivered to your hotel and you are able to set off for Veria, a drive of 72km (1 hour). Veria is now a fairly prosperous agricultural town but dates from as early as 1,000 BC. It was an important town for Philip II of Macedon and also subsequently for the Romans. St Paul preached there and under the Ottomans and Byzantium the town was a centre of learning. During World War II it was an important resistance

centre against the Nazis. Ancient Aegae (Vergina), the summer capital of Philip II of Macedon, father of Alexander The Great, and a UNESCO World Heritage Site is only a 12km drive away. The site contains the tomb of Philip II and is one of the very famous archaeological sites in Greece.

Overnight in Veria.

Day 5 - Kastraki

After breakfast, continue south to Kalambaka or Kastraki in Thessaly, a drive of 164km (2 hours). Either is a good base from which to view the cliff-top monasteries of Meteora, one of the most spectacular sights in Greece with monasteries seemingly impossibly perched on monolith shaped pillars of rock. Needless to say the monasteries of Meteora are a UNESCO World Heritage Site. Out of the 20 monasteries built at the beginning of the 14th century in order for the hermit monks to escape from the Turkish occupation, only 6 remain today.

Overnight in Kastraki.

With wild rivers, 18th century bridges, some 46 grey stone villages and spectacular mountains this is an area for walkers and nature lovers. The jewel in the crown of the Pindus Mountains is, of course, the Vicos gorge, the deepest in the world. Head for the viewing point at Oxia, near the village of Monodendri, for the most spectacular view in Greece.

Overnight in Megalo Papingo.

Day 9 - Florina
