

Holiday Types

Whether it's following up a city break with some time relaxing on the beach, hopping between Sicily and the Aeolian islands, or touring the Italian countryside, we can help you plan the perfect getaway.

Agriturismo

We offer 'agriturismo' properties in Italy & Sicily which have been carefully chosen and vetted. Some are located in the least-known corners of the island, and most specialise in high quality produce, usually grown on the property and prepared in the kitchen as local specialities. You will be able to sample the wine from the vineyard outside your window, or the olive oil from the trees around you. Oranges and lemons, fruit of all kinds, nuts, rustic breads, excellent locally-produced meat and fish and delectable puddings will be on offer. **See pages 13, 28, 35, 36, 54, 56, 60, 63, 64 and 65.**
