The price depends on the vehicle and location - but you can expect it to cost between 14 to 45 Euros per day. If you rent the vehicle for more than 10 days, you will be charged for a maximum of 28 days and get cover for the duration of your rental, up to 28 days.

Please check with your insurance company prior to departure to see if you are covered.
3. Each additional driver will be charged locally at 10-12 Euros per day. You will only be charged for a maximum of 10 days and get cover for the duration of the rental.
4. A one-way supplement applies if the drop off point is different from the collection point. This charge must be paid locally and you can expect to pay between 49-89 Euros depending on the rental location.

Excess Car Insurance (optional)

More people are now purchasing Excess Insurance before they travel, finding it better value if renting for more than 7 days, or hiring a car abroad more than once a year. A number of companies such as **www.insurance4carhire.com** offer this product. This insurance covers not only the insurance excess but also the underside of the car, windows and tyres.

Please ensure you have all necessary receipts before you leave the country should you need to make a claim, as you will have to pay and claim it back on your return to the UK.
