

WELCOME TO SUNVIL

Welcome to Sunvil and to our specialist Scandinavia programme.

Inside this brochure you will find holidays designed by passionate travellers just like you: experiential holidays in authentic destinations that will allow you to discover the real country. Think culture, gastronomy, wine and unmissable sights and experiences that will forge unforgettable memories. This is a Sunvil holiday - your Sunvil holiday.

Whilst our range of destinations continues to grow, our ethos and customer promise remains unaltered. Our philosophy is based on trust, passion and personal relationships, not only with our customers but with those who live and work in our destinations.

Our reservation experts, many of whom have been with us for many years, are passionate about our destinations and, through their personal, first-hand knowledge can answer any questions that you may have. They are well qualified to advise and recommend, based on your own holiday criteria. We can point you to those special, little-known places, some not found even in guidebooks.

Our holidays are trips that we ourselves enjoy and would choose for our friends and family. We endeavour to treat you, our customers, as we would expect to be treated.

In these uncertain times, it is more important than ever that we strive to retain consistency and high levels of customer service. I guarantee that our specialist teams will be there from start to finish, that our descriptions are honest, and that every property featured has been vetted. You can, of course, contact me or any of the team directly should you have any questions or issues that you would like to raise.

I hope that Sunvil can introduce you to the real Scandinavia this year.

Welcome to the real Scandinavia

At any time of year, from the northern lights of winter to the midnight sun of summer, the Scandinavian countries provide some of the most unspoiled destinations in the world amidst a staggering array of spectacular, inspirational and dramatic wilderness scenery.

We have loved exploring the countries of Sweden, Norway and Denmark in search of holiday inspiration and hidden gems. This region and its people have firmly engrained themselves on our hearts and we look forward to sharing our experiences with you.

Something for everyone

Scandinavia is a region sculpted by nature and one that cannot fail to impress. From the spectacular landscape of the Norwegian fjords to the extensive pine and birch forests, mountain ranges, a long and varied coastline and fascinating cities, there is much to discover. Not forgetting the delicious local produce, world-class museums, boutique shops and art galleries.

Flexibility

Within the following pages and on our website you will find a selection of holiday itineraries. These itineraries are not fixed, they are just examples designed to give you an idea of what is feasible within different time frames and a realistic idea of cost. City breaks, fly-drive holidays, multi-country trips and Northern Light and winter activity holidays are available, and all can be individually tailored to you.

Let us guide you

Our knowledge allows us to guide you with confidence and to design a holiday itinerary that will suit your specific requirements.
