Flight Supplements/Reductions

Our flight prices are set at the time of booking as we aim to offer maximum flexibility to our clients. As a result, package prices are indications only.

There are now so many airlines operating to the island from a wide range of local airports, all changing their prices on a day to day or hour to hour basis, that it is impossible to give fixed supplements or reductions.

We list a selection of flights to which we have access but there are many more. In order to book the best possible fare with some airlines it will sometimes be necessary to ticket and pay well in advance. In such cases, clients will be asked to pay the flight portion at the time of booking in addition to the £125 deposit.

Premium/club class seating is available on Cyprus Airways and British Airways. Business class seating is available on Aegean Airlines. Please enquire for applicable supplement.

Some flights operate to Larnaca via Paphos.

*Flight arrives the next day
