

Fly Drive

Take one of our popular fly-drive routes and discover for yourself the different aspects of Cyprus not encountered on the hotel beach. These enable you to see the island at your own pace, to discover hidden valleys, picturesque villages, historic relics of the past (many sites are on UNESCO's Cultural Heritage list) and to glimpse the timeless charm and changeless beauty that are the essence of this unique island. Several itineraries are listed, but feel free to make your own suggestions – we are only too pleased to help you plan your route. Cars are provided on an unlimited mileage basis and booked airport to airport in conjunction with your flights. Itineraries and hotels can be varied to suit your needs. Price indications for itineraries one and seven are given in the price panel. Itineraries based on alternative flights, accommodation, car types and durations on request.

Car Groups

A group 'A1' car is included in the price for 2 people.

Insurance Cover

Insurance cover is not valid for any items left in an unattended vehicle other than in a locked glove compartment or covered boot. Valuable items are not covered at all. In the 40 years we have featured holidays to Cyprus we have never had a theft from a client's car reported to us. It is so easy to take the necessary precautions. See page 86 for prices.
