Tailor-Made Holidays

We have operated to Portugal and Madeira for many years, and have a wealth of experience in arranging holidays to these destinations. We know our featured properties and are happy to answer any questions that you might have in order to help design a holiday itinerary which perfectly suits your requirements.

Within our brochure you will find prices for 3 and 7 night holidays. However, these holidays are not fixed, they are just examples designed to give an idea of the costs involved. If you have a holiday idea that is not featured within the brochure, please do not hesitate to give us a call – we will soon tell you if it is feasible and realisable at an acceptable cost.

For instance, over a 2 week period it is possible to combine a short city break with a rural retreat, or combine a number of properties as part of a fly-drive itinerary. It is also possible to combine a stay on the Portuguese mainland with a holiday on Madeira or a stay in the Azores.

Flexibility

We are able to arrange holidays to suit individual requirements.

- We can arrange city breaks, one centre or multi-centre holidays in Portugal, Madeira or the Azores.
- Transfers between holiday centres can be arranged by private or shared transfers, trains (Lisbon-Coimbra-Porto), domestic flight or self-drive car hire.
- It is also possible to quote for ground arrangements only, excluding flights.

Airlines (See flight information on pages 90-91)

- Sunvil Discovery has chartered, for the 2nd year running, a BMI flight direct into Beja (Alentejo). The Embraer 49-seat plane, with full catering and free 20kg luggage allowance, operates on a weekly basis from Heathrow on Sundays, and is the only direct flight route from the UK into what is an exciting region to explore. Flight only prices are available to book online at www.sunvilflights.com.
- We are able to book travel on all airlines except Ryanair and have special rates with TAP Portugal, British Airways and Sata International.
- Flights into one airport and out of another can be arranged to allow for more complex itineraries.

Accommodation

- We have a range of accommodation to suit all budgets and requirements.
- The majority of our accommodation does not require a minimum stay or set day of arrival.
- On request: For complicated tailor-made holidays we need to confirm that the accommodation and/or transport are available through our local agent, so this process may take longer to confirm, usually between 24-48 hours.

Multi-centre holidays between Portugal and Madeira or the Azores

We can combine mainland Portugal with Madeira and/or the Azores.

- TAP Portugal operates a daily direct flight between London Gatwick and Funchal (Madeira) and daily flights between Lisbon and Funchal to allow for two centre holidays. Twice weekly flights with Sata International connects Funchal and Ponta Delgada (Azores).
- The Azores form an enchanting archipelago of nine emerald green islands set in the Atlantic Ocean between Portugal (1,500km) and North America (3,900km). The volcanic formation of the islands has endowed them with a spectacular natural beauty. Vast

craters, nurturing glistening blue lakes, sheer black cliffs falling into the ocean, lush rolling valleys and hot mineral springs combine to form a truly diverse scenery found nowhere else in the world. Using TAP Portugal flights from London via Porto to Ponta Delgada (Sao Miguel), and via Lisbon to Ponta Delgada, Pico, Horta (Faial) and Terceira, it is possible for us to tailor-make a holiday to suit individual needs.

Security

One call to us will save you considerable time and effort, and probably cost no more (in the end) than trying to arrange it all by yourself. Most important of all, it is much safer: we are fully ATOL-bonded so your money is 100% protected, and by law we take full responsibility for our arrangements, which is not necessarily the case with 'internet only' operations who act only as 'agents'. We firmly believe that, taken together, these benefits will allow you to make the most of your designer holiday with complete peace of mind.
