

# Hurtigruten Coastal Express

The Hurtigruten Coastal Express has been breathing life into Norway's remote coastal villages for over a century providing a vital transportation link for local residents, mail and supplies.

Today, the vessels are also used to transport visitors along the beautiful, North Sea coastline from Bergen across the Arctic Circle to Kirkenes on the Russian border.

With daily departures and 34 ports of call, the Hurtigruten Coastal Express is one of the most flexible means of transportation in Norway with clients able to join and depart the cruise at any port.

### The fleet:

Eleven Hurtigruten cruise ships sail along the coast of Norway at any one time, each with its own distinct style and character depending on the size and age of the vessel. Each has a dining room, bar, library and panoramic lounges. Many ships have a sun deck and the MS Trollfjord, MS Finnmarken and MS Midnatsol have a Jacuzzi.
