

Car Hire Terms and Conditions - Ithaca 2025

Important: Please note that the prices quoted are approximate and subject to change locally.

Included in your rental:

1. Unlimited mileage.
2. Free Delivery.
3. Collision Damage Waiver (CDW). In the event of an accident or theft of the rental car this insurance covers the full value of the vehicle. However, you remain liable for the excess amount of 600 Euros.
4. Full Damage Waiver (FDW) is available for 10 Euros per day (not available for clients over the age of 74).
5. Free baby seats and booster seats.
6. Third party liability insurance. This covers any third party in the event of an accident.
7. All local taxes

The following conditions apply to our car hire rentals:

1. The undercarriage and tyres, windows and key are not covered by the Insurance.
2. Additional driver is 4 Euros per day.
3. The minimum age for a driver is 23 years. For all car hire groups, each driver must have held a full UK or EU driving licence for 2 years.
4. The maximum age for a driver is 82 years and drivers over 70 years old must have renewed their licence within the last 5 years.
5. Drivers 75 years old and over must pay a surcharge of 5 Euros per day.

Notes:

1. All local charges are subject to VAT at 24%.
2. Those with a car from the airport should remember that luggage space is limited. It is recommended that you therefore limit luggage to one medium sized suitcase per person. Excess luggage may have to be transported by taxi, the cost of which would be payable locally. Jeeps have very little luggage space and are not secure.
3. The contract you sign on delivery of the car is between you and the car hire company. You should therefore read this and inspect the car and tyres before driving. The companies we use are all reputable firms who have been operating for many years.
4. Refunds for unused car hire, including cars returned early, are at the discretion of the car hire company and should be agreed with them before returning to the UK.

Excess Car insurance (optional):

More people are now purchasing Excess Insurance before they travel, finding it better value if renting for more than 7 days, or hiring a car abroad more than once a year.

A number of companies such as www.insurance4carhire.com offer this product. This insurance covers not only the insurance excess but also the underside of the car, windows and tyres.

Please ensure you have all necessary receipts before you leave the country should you need to make a claim, as you will have to pay and claim it back on your return to the UK.
