

Car Hire Terms and Conditions - Paxos 2025

Important: Please note that the prices quoted are approximate and subject to change locally.

Included in your rental:

1. Unlimited mileage.
2. Collision Damage Waiver (CDW). In the event of an accident or theft of the rental car this insurance covers the full value of the vehicle. However, you remain liable for the excess amount of 1500 Euros (Groups B, B AUTOMATIC, and H), 2000 Euros (Groups C and C AUTOMATIC) and 3500 Euros (Groups F and G). Please note that this insurance does not cover damage to the vehicle's tyres, glass (inc. lights and mirrors), engine or undercarriage.
3. Third party liability insurance. This covers any third party in the event of an accident.
4. All local taxes.
5. Delivery/collection to all accommodation and the port. Should your flight suffer a delay, cars required on arrival in resort may not be delivered until the following morning. We regret that no refund can be made in these circumstances.

The following conditions apply to our car hire rentals:

1. An additional driver can be added to the rental contract, free of charge.
2. The minimum driver age is 23yrs for all car hire groups and each driver must have held a full UK or EU driving licence for 1 year. All drivers need to be entered individually on the car hire contract.
3. Child seats can be added to the rental contract, free of charge. Please request at the time of booking. It will be necessary to fit the child seat yourself. Please note that child seats are generally available for infants and small children only. The law in Greece does not make them compulsory for older children, and they may not be of BSS specification.
4. Full Damage Waiver (FDW) can be purchased for 7 Euros per day for groups B, B AUTOMATIC and H; 8 Euros per day for groups C and C AUTOMATIC; 10 Euros per day for groups F and G. This extra charge, which if paid, will void any excess payable in the event of an accident or theft of the rental car.
5. Personal Accident Insurance (PAI). This insurance is optional and payable locally. Please check with your insurance company prior to departure to see if you are already covered.

Notes:

1. All local charges are subject to VAT at 24%.
2. Those with a car from the airport should remember that luggage space is limited. It is recommended that you therefore limit luggage to one medium sized suitcase per person. Excess luggage may have to be transported by taxi, the cost of which would be payable locally. Jeeps have very little luggage space and are not secure.
3. The contract you sign on delivery of the car is between you and the car hire company. You should therefore read this and inspect the car and tyres before driving. The companies we use are all reputable firms who have been operating for many years.
4. Refunds for unused car hire, including cars returned early, are at the discretion of the car hire company and should be agreed with them before returning to the UK.

Excess Car insurance (optional):

More people are now purchasing Excess Insurance before they travel, finding it better value if renting for more than 7 days, or hiring a car abroad more than once a year.

A number of companies such as www.insurance4carhire.com offer this product. This insurance covers not only the insurance excess but also the underside of the car, windows and tyres.

Please ensure you have all necessary receipts before you leave the country should you need to make a claim, as you will have to pay and claim it back on your return to the UK.
