3. The contract you sign on delivery of the car is between you and the car hire company. You should therefore read this and inspect the car and tyres before driving. The companies we use are all reputable firms who have been operating for many years.
4. Refunds for unused car hire, including cars returned early, are at the discretion of the car hire company and should be agreed with them before returning to the UK.

Excess Car insurance (optional):

More people are now purchasing Excess Insurance before they travel, finding it better value if renting for more than 7 days, or hiring a car abroad more than once a year.

A number of companies such as www.insurance4carhire.com offer this product. This insurance covers not only the insurance excess but also the underside of the car, windows and tyres.

Please ensure you have all necessary receipts before you leave the country should you need to make a claim, as you will have to pay and claim it back on your return to the UK.
