

OUR PASSION • YOUR MEMORIES

In 2019 we are proud to be celebrating our Golden Anniversary. Much has changed since we organised our first villa holiday to Greece, but our aim remains the same – to offer an escape from the routine, supported by our knowledgeable reservation and resort teams.

We understand that it is the little things that can transform your holiday into a lifetime of memory. Discover for yourself the subtle differences that make GIC The Villa Collection one of the UK's leading villa specialists, and why so many of our guests choose to travel with us year-on-year.

5 REASONS TO BOOK WITH US

Personal service

Our guest feedback always notes the professionalism and friendliness of our overseas representatives, many of whom live and work in Greece and Cyprus year-round. Whether you meet Effi on Paxos, Julia on Corfu, Julie on Lefkas, Julia on Alonissos, Angela on Cyprus etc. you can relax, safe in the knowledge that you will be, unobtrusively, looked after. Our overseas teams project our holidays to another level.

Honesty

Our brochure has been compiled using the information obtained through our visits and from our experienced overseas team. Our descriptions are not flowery – they are honest and designed to highlight the key selling points of each villa, so that you know exactly what to expect. We focus on the comfort, views, facilities and proximity to local amenities. If it is a simple property but the surroundings are breathtaking or the owner is extremely hospitable, this will be described.

We take full responsibility for all aspects of our holidays and offer 100% financial protection.

There are no hidden extras. All our holidays include:

Variety: A holiday for all

Unrivalled knowledge

With 50 years of experience comes a depth of knowledge that goes far beyond the surface of our destinations. Greece and Cyprus are in our blood: we love these countries, their scenery, culture, heritage and people, and we want nothing more than to share this passion with you.

We only feature villas that we have handpicked, and places that we have enjoyed visiting.

Our reservations team have been with us for an average of 10 years each and have visited each of our featured destinations. If you have any questions, or need advice on the best island or property for you, they can assist. They will also share their insider tips.
