

LUXURY YACHTING

What better way to explore the Ionian islands of Greece than on a private luxury yacht, discovering otherwise inaccessible bays, swimming in the warm azure sea and watching the setting sun from your enviable vantage point. Sit back, relax and prepare to be pampered - no experience required.

With three yachts and one catamaran accommodating six, eight and ten guests respectively, our relaxed itineraries are tailored to you, under the guidance of your professional skipper. Choose to visit Corfu, Paxos, AntiPaxos, Kefalonia and/or Ithaca, and decide between the many charming seaside villages and breathtaking coves that line their shores in which to lay anchor.

You can book a yacht exclusively for your friends and family, or simply take a cabin on one of our cabin-charter weeks. We can also offer long weekend trips; the ultimate, luxurious short break.

Our luxury yacht holidays come with:

- A professional skipper, who will teach you the ropes if desired
- A private chef. Breakfasts, lunches, soft drinks and snacks are included. On board dinners and alcoholic drinks are not included
- Air-conditioned cabins with en-suite bathrooms
- A speedboat with water skis and wakeboards, paddleboards, windsurfs, snorkelling and fishing gear
- On board spa experience (on deck massages)

Prices for 7 nights sailing from Corfu start from £1,300 per person (excluding flights).
