

Sivota

Also known by its Turkish name of Mourtos (they were masters here until 1913) Sivota is in Epirus, that mountainous region of the north west. This is one of the loveliest areas of Greece – green, scenic and traditional.

Sivota enjoys a setting of remarkable natural beauty. All around are hills blanketed by pine, cypress and olive, the trees in many places reaching the water's edge. The twisting coastline is indented with rocky coves, sandy bays, and stretches of almost white coarse-sand/fine shingle beach such as Mega Ammos a mile outside the village.

Just off-shore are three wooded islets with beaches of their own, great fun to explore by boat, maybe taking a picnic. The hire of a small motorboat is the best way to reach not only the islets in the bay but also nearby hidden beaches. A water-taxi will also take you inexpensively.

The village itself has plenty of Greek character. The village has in recent years become increasingly popular and so the village, harbour and beaches bustle with life over weekends and during Greek holiday periods.

The harbour is pretty as a picture, with an array of cafés and restaurants (some quite smart), small shops, and often a flotilla moored at the quay. A ten minute flat walk (no hills) brings you to the upper part of the village, with church, stores and more tavernas. The nearest beach is just over the headland from the harbour, and many others can be reached in a 10-15 minute walk in either direction.

Excursions run (subject to demand) by boat to Paxos and Corfu, one of which is a lovely day out on a private sailing boat – and by bus to Albania, Necromanteion and Glyki. There is a dive school now based in Sivota.

However, other than the very good 'road train' service which operates to the string of fine beaches to the south of the village, there is a limited bus service, so if you

want to make the most of the area the hire of a car would be a good idea. Some wonderful areas then become accessible, including the inland lakeside town of Ioannina; the preserved mountain villages of Zagorochoria; even the 'monasteries of the air' of the Meteora, one of Greece's most impressive sites. All can now be done in a day using the new fast Via Egnatia highway.

Rodanthi Apartments Sivota

The Rodanthi enjoys rural surroundings and is a short walk from a choice of beaches and Sivota harbour (900m, 15 mins - take a torch for late night returns).

The five studios are a mix of twins and doubles (some can also accommodate a child) all possess AC, light cooking facilities (mini-oven, rings and fridge), shower room and a covered balcony with views to the sea over the wooded hills. The furnishings are comfortable and the decor light. A room-safe is provided free.

The 2-bedroom apartment is first floor and has one twin and one double bedroom, each AC and opening onto a covered terrace; a kitchen/diner with fitted units, full cooker and fridge; a shower room with wc; and a spacious covered front terrace. An extra bed for a child can be placed in one of the bedrooms.

The pool below measures 72 sq m (depth 1m-3m) and has sun umbrellas as well as a pergola for shade. There is a small water-park nearby in the high season but this is far enough not to disturb.

A path leads directly to popular sand/shingle Stavedo beach in only a minute or two, with its taverna behind. Pretty pebble Zeri beach, with its well liked restaurant above, is next door. And a five minute walk north brings you to little-known Deh beach (pronounced 'They-ee!'), a beautiful and usually peaceful bay. The slightly hilly approach and a number of steps would make Rodanthi unsuited to anyone with walking difficulties without a car.

Air-conditioning: local daily charge €4 (studio), €8 (2-br).

Magnolia Penthouse Apartment Sivota

Superb views are to be had from this penthouse apartment which occupies the entire top (second) floor of the building, especially from its large private open sun terrace. Almost all you can see is beautiful rolling countryside to the green hills and sea behind Sivota.

Surrounded by pretty gardens the house is 850m from Sivota harbour, between the beaches of Galikos Malos and Zeri.

The apartment is very spacious, and has been tastefully furnished with attention to detail (e.g. mozzie-netted windows) and good quality.

Decor is attractive, light and modern. The air conditioned living room has a modern open fitted kitchen with full cooker and fridge, a dining and a sitting area with a double sofa-bed for one adult or two children. French windows lead to a nice covered balcony. The bedroom (also air conditioned) has a double bed and flatscreen TV, and there is a modern shower room with hairdryer.

But the piece de resistance is its wonderfully private large open roof terrace, furnished with sun beds and affording lovely views to Sivota and the sea. You could (and doubtless

will) spend the majority of your time here.

There are three apartments on the floors below of a similar description (without the sun terrace) that we can book on request and a BBQ in the gardens for guests' common use. Sivota harbour is a 10-15 minute walk and a choice of beaches can be found within the same time in either direction, the nearest being just 300m away.

A hilly approach, especially the last 200m, is unsuited to anyone with mobility problems unless a car is hired.

Early Booking Offer

Sioutis Apartments Sivota

Excellent newly built accommodation in quiet country surrounds within a short walk of both beach and harbour.

The eight 1-bedroom apartments here are in four detached buildings well separated for privacy and surrounded by spacious lawns and pretty borders. Each occupies its own floor and comprises a double bedroom; a living room with two extra beds suitable for children or smaller teens; a fitted kitchen area with full cooker and fridge; and a nice modern shower room with hairdryer. Both rooms have air conditioning and TV (BBC World), and both open onto the spacious covered front balcony or terrace (those on the top floor can glimpse

the sea over the olive trees). Room safe is free of charge.

Away from the buildings is a 7m x 4m swimming pool with a low key pool bar behind (seasonal) where breakfast is taken (included in the price). A country lane leads to Galikos Malos beach in 3 minutes, and the harbour is just a 5 minute walk away (400m). The walk up from the harbour, although nothing very steep, is a steady incline and so may not be suitable for slow walkers without a car.

Stylishly furnished throughout, the Sioutis offers a very good standard of spacious, modern accommodation in lovely surroundings, high levels of comfort and service (daily cleaning) and a quiet location close to town and beach.

Albatros Hotel Sivota

This excellent 'small and friendly' hotel is to the back of Sivota, a 15 minute walk (no hills) from the harbour and less than 10 minutes (600m) from Zavia beach. This upper part of the village has tavernas and shops of its own.

The hotel has 25 rooms on its ground or first floors. All have been renovated to a high standard and provide stylish modern accommodation, including twin or king size bed, modern walk-in shower, and tasteful, stylish decor. Facilities include AC, Wifi, LCD TV, room safe, mini-fridge and hairdryer, and all rooms have a balcony or patio with pool, garden or countryside views.

There is a lovely furnished pool area. The pool has steps in and measures 90 sq m (depth 1.0m-1.8m). The

adjacent pool bar serves drinks and snacks. A rich buffet breakfast is offered here.

We find the Albatros difficult to fault. For the standard and service on offer - we think it is more like a 4 star standard - it is also very good value.

Air-conditioning: available at a local charge of €6 per day.

Filakas Hotel Sivota

The Filakas has a superb location on the hillside directly above Sivota's pretty harbour. Now it has the rooms to match the views, as all have been comprehensively and very nicely upgraded to what is actually a 4 star standard.

The 40 rooms are stepped up the hillside above the hotel's restaurant above the sea (known for its fresh seafood). All possess twin beds (normally placed flush together), lovely modern bathroom with walk-in shower, AC, TV, safety deposit box, hairdryer and good-sized balcony terrace with glorious harbour and sea views. Some interconnect.

The modern style, decor and furnishings are fashionable, light and attractive, and we found the staff to be helpful and friendly. The hotel has a lounge, cafe-bar and sun terrace above the restaurant area.

The hotel does not have a lift so the internal steps would make it unsuited to anyone with walking difficulties.

Sivota harbour

Sivota Muses Sivota

Quietly positioned on the hillside 400m from the harbour, Sivota Muses offers plenty of peace and quiet and fine views. It is a steep walk up though!

The three studios are above and behind the two apartments. Studios comprise one large air-conditioned open-plan space containing a double bedded sleeping area, a fitted kitchen with full cooker and fridge, and a spacious bathroom with walk-in shower. Mozzie-netted French windows open onto a large covered terrace to the front, which affords lovely views to Sivota, the harbour and the hills beyond.

The two lower cottages are detached and set well apart. They

have the same facilities but are larger with the bedroom and living room separate. The cottages are high-ceilinged, cool and airy, and very nicely furnished in an attractive modern style. One or two folding or sofa beds can be placed in the living area for families. These are 'front row' properties with a very private covered front terrace from which to enjoy the fabulous uninterrupted views.

The Blue Coast Sivota

The Greek-Canadian run Blue Coast overlooks the sea at the quieter end of the harbour, which means that everything you should need is within a short walk, including Galikos Malos beach over the headland in the next bay (5 minutes).

There are only four rooms here, all on the first floor. Each has a rear bedroom, a shower room with wc, and a living room at the front with tv, an electric kettle and fridge. Air-conditioning is available at a local charge if required. All open out onto the common front balcony, which has lovely views over the harbour and one of the islands in the bay. The ground floor restaurant serves Greek cuisine at its best.

Do not worry about having the restaurant below – it is not noisy and, besides, the bedrooms are at the back.

We have worked with The Blue Coast since we started our programme to Sivota. Recommended for its harbour-front and friendly atmosphere, excellent views and central (yet relatively quiet) location.

Note: Cleaning is twice weekly and linen change once weekly. Air conditioning available at a local charge of €4 per day.

Evanti Apartments Sivota

At the quieter far end of Sivota harbour, these four newly built apartments offer high standards of comfort and good views.

The three 1-bedroom apartments are on the ground or first floor. Spacious and very nicely furnished in a bright modern style, each has a comfortable open-plan living room with one or two sofa-beds (full sized), flat-screen sat TV with DVD, and fitted kitchen area with full cooker and fridge; a very nice modern tiled shower room with hairdryer; and a cosy air conditioned double bedroom (a/c included). Both the bedroom and living room open onto a covered front balcony or spacious terrace with harbour views.

The open-plan studio on the ground floor is also large and double-bedded (can be made into twins) with the same facilities (but cooking rings only, no oven) and opens onto its own large covered terrace to the front.

With the harbour on your doorstep – so just steps from an array of restaurants and cafes - and Galikos Malos beach only a 5 minute walk over the headland, Evanti is the perfect choice for those looking for top quality self catering accommodation close to all the attractions of this little port. The ground floor units are suitable for those with impaired mobility as there are no steps.

Roula Apartments Sivota

These stone-built apartments are just a 3 minute walk from the harbour and offer a very good standard of accommodation plus a small pool.

The ten apartments here are housed in two buildings of 3 floors with the pool between. They are all spacious and well furnished. Each comprises an open plan living room with light cooking facilities (2 rings, fridge), TV, room safe and a full-sized sofa bed. The separate bedroom has double bed and there is a very nice modern bathroom with walk-in rainwater shower. Hotel-style AC (included) keeps the apartments cool.

Galikos Malos beach

Each apartment has at least one good-sized covered balcony (better Wifi reception here), most overlooking the pool.

The swimming pool measures 30 sq m and is deep (1.70m) with sun beds on the surrounding terrace (please note the pool is closed for during siesta time 1400-1700).

The nearest beach is Galikos Malos, a ten minute walk over the headland.

A really comfortable accommodation offering high standards in a most convenient location.

Elaias Suites Sivota

These three stylish modern apartments are set high above the sea some 700m from the harbour and boast enviable views over Sivota's twisting coastline and the sea. There is one larger apartment on the ground floor and two smaller studios above.

The apartment has a comfortable open-plan living room with sofas, large flat-screen TV and full kitchen; a twin bedroom (can become a double on request); a tiny annexe room with two bunk-beds for smaller children (no door); and a hydro-massage shower. Facilities only for this apartment include DVD, CD, washing machine and dishwasher. Picture windows allow sea views to two sides and open onto the spacious covered front terrace with table and chairs.

The top floor studios are the same in terms of beds, kitchen and shower. Again, picture windows and private front terraces make the most of the light and views. The right-hand studio (B) is larger and has its own outdoor (but shaded) sitting

area behind with rattan furniture; the left-hand studio (A) is cosy and romantic with super views front and side from your bed!

To the front is a lawn and small pool for all guests' use with sun-beds and a pergola for shade.

Bella Vraka island beach - reached by fording across a narrow sandbar - is a 3 minute walk down the hill. The walk up from the harbour is steep at the start but you are well rewarded by the contemporary standards and the views here.

Air Conditioning: AC is included (all rooms) and set to 24C, which is considered the most comfortable temperature for sleeping.

Paxos View Sivota

Paxos View offers a very high standard of accommodation in quiet country surroundings close to the beach. They also, as the name suggests, enjoy fabulous views!

There are just four terraced studio apartments here, built in two pairs above the sea. Each is spacious, modern and well furnished with double bed, kitchen area with 2-ring hob and fridge, AC, Wifi, LCD TV, hairdryer, washing machine, nice walk-in shower and mozzie-netted.

Each has a large furnished covered stone terrace to the front with good privacy from its neighbour. The views from here are lovely - over the pretty surrounding gardens and sea to Paxos and the beautiful Epirot coastline going south.

A two minute walk down the hill brings you to a pretty little sand/shingle beach, really tucked away and only found by those in the know.

The apartments are on a wooded headland a 15 minute walk (1 km) from the edge of Sivota, where you will find tavernas, supermarkets and a good bakery. Zavia beach is 900m and has a taverna, and the harbour 1700m.

This is a hilly location, with a fair few steps down from the top entrance, and car hire is recommended. However the supermarkets will deliver and a taxi back from the harbour costs c €5.

Combine Sivota with Epirus & Albania

Epirus is a most beautiful and little-known area of the north west Greek mainland and can easily be combined with a holiday in Sivota. It is one of Europe's prime areas of outstanding natural beauty. With mountains, lakes, gorges, preserved stone villages and a unique flora and fauna it is one of Greece's best-kept secrets. For those staying with a car, it is a 2-2½ hour drive to the Zagoria national park.

We can pre-book a small mountain village hotel either for a few nights during your main holiday (car required) or for your second week. See page 235 for details. Please enquire for prices.

The Albanian border is not far away and we can arrange short or long stays in the vibrant port of Saranda or a cultural tour. Taxi transfers are provided (c 2 hrs). See page 242 for details.
