ACTIVITY & EXCURSION DETAIL – ALL INCLUSIVE

TOUR OF THE AREA

Includes entrance fees and English-speaking guide

DURATION: 3-4 hours

In this tour of the unmissable sights of the Pucon area, we will visit the main waterfalls and enjoying great views of Villarrica Volcano along the way. We will take the Saltos del Mariman trail through well maintained native forest that leads to the most important rapid of the Trancura River. After that we will visit the classic Ojos del Caburgua waterfalls and pools formed by the underground drainage of Caburgua Lake. Finally we will travel to the base of the volcano where you will see a panoramic view of the area.

½ DAY HOT SPRINGS

Includes return transport and entrance fee

DURATION: 4 Hours.

In the surrounding areas of Pucon there are various hot springs resorts offering the opportunity to relax in the open air or indoor pools. They invite you to experience the medicinal benefits of their thermal waters, where temperatures fluctuate between 38°C & 40°C. Guaranteed to bring you a unique afternoon of relaxation.

¾ DAY GEOMETRIC HOT SPRINGS

Includes return transport and entrance fee

DURATION: 6 Hours.

A simply unique architecture inserted into the middle of a natural environment which is both unmissable and impossible to forget. You will enjoy relaxing in one of the 17 pools which are united by wooden walkways built over the water and in-between ancient endemic forests.

MAPUCHE EXPERIENCE

Includes lunch or tasting, transfers and English-speaking guide

DURATION: 3 Hours.

Immerse yourself in the Mapuche culture sharing typical food and getting to know the clothing, housing and stories of these local people. On this tour you will visit a traditional Ruka (Mapuche house) and will find out more about this ancient culture. Includes traditional style barbecue and a tasting of Mapuche products, the Ruka visit, weaving techniques, traditional clothing, instruments and you can also take part in the traditional games called Palin or chueca.

ANDEAN LAGOON SOFT TREKKING

Includes entrance fees, transfers, box lunch and English-speaking guide

DURATION: 6 Hours. DIFFICULTY: LOW

In the midst of the Andean mountain range and close to the border crossing with Argentina, Mamuil Malal, there are two lakes flanked by araucaria forests inhabited by Magellanic woodpeckers and other birds and animals. The trail is flat and relatively easy allowing you to enjoy the scenery that emanates a special beauty and calm due to this being a little visited area. The trail is located alongside the impressive Lanin volcano, half Chilean half Argentine, which reaches 3700 masl and has a huge glacier located in its crater.

TREKKING IN HUERQUEHUE NATIONAL PARK

Includes entrance fees, transfers, box lunch and English-speaking guide

DURATION: 6 hours. DIFFICULTY: MEDIUM-HIGH

This beautiful national park, the Place of the Messengers in the native language of the Mapuche, is actually an old trail used by them to connect with the eastern territory then called Puelmapu, now Argentina. This trek is surrounded by araucaria, coihue and lenga forests and will take us alongside waterfalls and allow for panoramic views. Dozens of birds and animals are hidden in the forest, and glimpses of the calm Lake Tinquilco and the imposing Villarrica volcano will appear in between the basalt rocks and majestic trees.

VILLARRICA VOLCANO ASCENT

Includes transfers, equipment, national park entrance, radio communication, guides and insurance

It is necessary to take food, sunglasses, sunscreen and comfortable clothes

DURATION: 10 Hrs. DIFFICULTY: HIGH

During the ascent of one of the most active volcanoes in Chile you will enjoy the best views of the region: lakes, mountains and other volcanoes. The knowledge and experience of the guides will allow you a safe and fun excursion. Good physical shape required. For people over 14 years old (minors must bring signed parental consent). Note: This is a pooled excursion.

TOLTEN RIVER DRIFTBOAT EXPERIENCE

Includes English-speaking guide, transport and all necessary equipment

DURATION: 4 Hrs.

The best alternative to rafting. We provide an unforgettable experience to get to know the area from the water, without having to paddle! Enjoy the scenery, take pictures along the ride, and finish the trip with a refreshing dip. A perfect way to get to know the rivers and scenery together as a family. Includes guide, transportation and all necessary equipment. No minimum age.

PARASITIC CRATER TRAIL – VILLARRICA NATIONAL PARK

Includes entrance fees, transfers, snack and English-speaking guide

DURATION: 4 Hours. DIFFICULTY: LOW

In this temperate forest of the Andes at the foot of the most active volcano in Chile, the imposing Villarrica volcano, we will explore the parasitic craters, small mini volcanoes which were created via eruptions which took place many decades ago. Enjoy the marvelous panoramas from the viewpoint where you will be able to see 4 volcanoes to the north as well as admiring the perfect profile of Villarrica volcano. This is a short trail of 8 km in total. The trekking is a mixture of trails through forest and over volcanic rock. Trekking shoes and clothing required.

HORSERIDE

Includes English-speaking guide, equipment and a snack

DURATION: 2 Hrs.

Discover the native lands & enjoy the snow-capped peaks of the volcanoes, along with glimpses of glaciers, waterfalls and endemic forests. A guide will lead the trip assuring you a safe & memorable experience. A perfect activity for families. Note: This is a pooled excursion.

RAFTING ALTO

Includes English-speaking guide, transport and all necessary equipment

DURATION: 4 Hrs.

For one and a half hours you will descend Grade 4 rapids between native forests, waterfalls and captivating views of the local volcanoes. The combination of adrenalin and adventure result in an unforgettable experience. Minimum age 14. Dependent on river conditions. Note: This is a pooled excursion.

FLY FISHING

Includes English-speaking guide, transport and all necessary equipment

DURATION: 5 Hrs.

A fun way to enjoy fishing in the area you will descend several kilometers of our local river in a safe and comfortable boat. The views of the neighboring volcanoes are impressive as they peek out from behind the forests. You will have the chance to fish for Rainbow and Brown trout during your descent. No fishing equipment or experience necessary.

MASSAGE IN SPA ANTUMACO

DURATION: 50 Mins.

Choose from the Massage Menu available in our Spa Antumaco located within the 5-hectare private park.

SNOW SHOE EXCURSION – Winter season only:

DURATION: 4 Hours.

An unforgettable excursion on a snowy route at the base of Villarrica or Lanin volcanoes. Using snow shoes you will find it easy to move along without difficulty allowing you to combine adventure, sport and tourism. Recommended for everyone! Includes transfers, guide, entrance fees and full equipment (boots, snow shoes, gaiters and walking poles).

SKI DAY – Winter season only:

DURATION: Full day.

The pistes of the Villarrica volcano ski center offer options for beginners and expert skiers. The Ski Day includes full day ski ticket, full equipment rental and return transfers to the base. Note: the transfers are not private. Ski lessons not included. Hotel Antumalal does not take responsibility in case the ski center closes due to climatic conditions or for any other reason.
