Europe's natural paradise is now closer than ever before

The Azores form an enchanting archipelago of nine emerald green islands set in the Atlantic Ocean between Portugal (1,500km) and North America (3,900km). It is a destination with immense appeal for nature lovers. Vast craters nurturing glistening blue lakes, sheer black cliffs falling into the ocean, lush countryside, lofty mountain peaks and hot mineral springs and geysers combine to create a truly spectacular scenery found nowhere else in the world.
