

Finland - Car Hire Terms & Conditions 2021-2022

Important: Please note that the prices quoted are approximate and subject to change locally.

Included in your Avis rental

1. Unlimited mileage.
2. Collision Damage Waiver (CDW) and Theft Protection Waiver (TP). In the event of an accident or the vehicle is stolen this insurance covers the full value of the vehicle. However, you remain liable for the excess amount of 1,200 Euros (Groups A, B, C, L and I); 1,800 Euros (Groups D, M and O); 2,400 Euros (Groups H, F and G); and 4,000 Euros (Groups N, P, E and J). Please note that this insurance does not cover damage to the vehicle's tyres, undercarriage or windscreens.
3. All local taxes and airport/city surcharges.
4. VLF (Vehicle Licence Fee) and VAT at 24%.
5. Third Party Liability. This covers any third party in the event of an accident.

Payable locally (compulsory)

1. An airport service charge of 32.50 Euros per rental (Helsinki Vantaa) and 20 Euros per rental (All other airports) is mandatory and payable locally.

Not included and payable locally (optional)

1. Complete Protection Package includes Super Collision Damage Waiver (SCDW) and Super Theft Protection (STP). This is an extra charge, which if paid, will void any excess payable in the event of an accident. The price depends on the vehicle and location – but you can expect it to cost between 28 and 34 Euros per day, depending on the size of the vehicle.
2. Personal Accident Insurance (PAI). This is an extra charge which if paid, covers the driver of the vehicle in the event of an accident. It reduces the amount you have to pay in the event of an accident to zero per claim depending on the claim you make. Please check with your insurance company prior to departure to see if you will be covered.
3. Each additional driver will be charged locally at a rate of 5 Euros per day (maximum of 50 Euros per month).
4. A one-way supplement applies if the drop-off point is different from the collection point. The price, to be paid locally, is quoted at the time of booking.
5. Infant and booster seats are now compulsory for children up to 12yrs (or a height of 135m). Infant and booster seats will be between 20 and 45 Euros per rental.
6. Any applicable after-hours airport charges.
7. GPS Navigation System equipment is available to hire at a rate of 15 Euros per day. If you rent the vehicle for more than 10 days, you will only be charged for a maximum of 10 days and get to use the GPS for the duration of your rental, up to 31 days.

Note: Sunvil recommend that clients hire a GPS (if not taking their own SatNav or mobile phone navigation app).

General Notes

1. Cars will be supplied with a full tank of petrol. A **credit card** imprint will be taken to cover a deposit, local extras or any excess charges. The deposit will be refunded when the car is returned with a full tank of fuel. **Please note that the credit card needs to be in the same name as the designated driver.** All major credit cards accepted.
2. A full, valid UK, EU or international driving licence, issued not less than one year prior to rental is required. No minimum or maximum age for drivers in Finland.
3. Driving is on the right.
4. We can request, but cannot guarantee a particular make of car or engine size.

5. It is permitted to drive the rental vehicle into Sweden or Russia but this is on request and may incur a fee locally - ask on collection of the vehicle if you plan to cross the country border.
6. No smoking permitted in the vehicles. If caught, then a specialist cleaning charge will apply.
7. We are not liable for any police or traffic fines incurred by clients.
8. These conditions also apply to car hire already included in the cost of our holiday. All local charges quoted here include VAT (24%).
9. Airports are open 365 days a year.
10. Please advise us, at the time of booking, of any **ENDORSEMENTS ON YOUR LICENCE**.

Alternative excess cover that can be purchased directly online and will cover clients for a year for any vehicle you hire in Europe...

Excess Car Insurance (optional)

More people are now purchasing Excess Insurance before they travel, finding it better value if renting for more than 7 days, or hiring a car abroad more than once a year.

A number of companies such as www.insurance4carhire.com offer this product. This insurance covers not only the insurance excess but also the underside of the car, windows and tyres.

Please ensure you have all necessary receipts before you leave the country should you need to make a claim, as you will have to pay and claim it back on your return to the UK.
