Tuesday - Sunday**

**DAY BY DAY ITINERARY DESCRIPTION**

(B: breakfast/ L: lunch/ D: dinner)

**TUESDAY**

**BALTRA AIRPORT – SANTIAGO ISLAND: Sullivan Bay**

Upon arrival, reception and assistance at the airport, transfer from Baltra Airport to the M/C Endemic.

In the afternoon, you will visit Sullivan Bay, located on the east coast of Santiago Island. We land on a white coral sand beach and begin our walk over lava that flowed less than 100 years ago. This is the perfect place to see and feel the volcanic origin of Galapagos. Also in this area you will admire flora that grows in lava fields.

(-, L, D)

**WEDNESDAY**

**ISABELA ISLAND: Wetlands/ Sierra Negra volcano – Breeding Center/ Wall of Tears**

Isabela Island is the largest of the archipelago with a surface of 4,588 square kilometers. It encompasses more than the half of the total land area of Galapagos.

In the morning, you will be transported to the Wetlands (Humedales), that are a complex of trails of 6 kilometers long, located south of Isabela Island. They have a wide variety of flora and abundant bird life, including gallinules, finches, stilts and ducks among others.

Or you may visit Sierra Negra Volcano, one of largest craters in the archipelago with a diameter of five kilometers. It offers mesmerizing views with great contrast in colors between lava fields, vegetation and fumaroles.

On the way up to Orchilla hill, giant tortoises and marine iguanas will appear. From the viewpoint the spectacular scenery of the bay, the town of Puerto Villamil, volcanoes, islets and rocks can be appreciated. Isabela wetlands has endemic and introduced species.

After lunch visit the Arnaldo Tupiza Breeding Center of Isabela, infant and juvenile giant tortoises can be seen until they are ready to be released and survive in the wild.

Or you may visit the Wall of Tears. This is a man-made monument which has been built in the 40's by prisoners, since Isabela island was once an Ecuadorian penal colony and building up the wall was part of the punishment.

On the way back to the yacht, be ready to spot flamingos and other water birds.

## **THURSDAY**

### **ISABELA ISLAND: Elizabeth Bay – Urbina Bay**

In the morning, you will discover Elizabeth Bay, which is a marine visitor site. The excursion is carried out in a zodiac and so there is no landing point. Your zodiac ride starts with a visit to the Marielas islets where there is the largest and most important penguin colony in the Galapagos Islands. The excursion continues into the cove that is surrounded by red mangroves where you can spot sea turtles, flightless cormorants, spotted eagle rays, golden rays, brown pelicans and sea lions.

In the afternoon, Urbina Bay will be visited. Here you can see coral formations, large colored land iguanas. The possibility of seeing giant turtles, flightless cormorants, blue-footed boobies, penguins and marine iguanas is excellent.

(B, L, D)

## **FRIDAY**

### **ISABELA ISLAND: Tagus Cove – FERNANDINA ISLAND: Espinoza Point**

After breakfast, Tagus Cove will be the first attraction to see. A ride along the cliffs in a zodiac will give visitors a good chance to see the Galapagos penguin, the flightless cormorant and other sea birds. From the landing dock it is about a 30-minute hike along the trail up to the top of the cliff from where you can view Darwin Lake, a saline lake saltier than the sea. You can also see several volcanoes from this location.

After lunch, Espinoza point will be visited, which is one of Fernandina's visit points. Located within a fascinating lava scenery with Lava-Cactuses. On the surface of the lava, mangroves thrive. The highlights are sea lions, penguins, the flightless cormorant (especially in spring and summer), and one of the biggest iguana colonies of Galápagos.

(B, L, D)

## **SATURDAY**

### **SANTIAGO ISLAND: Buccaneer Cove/ Espumilla Beach – RABIDA ISLAND**

In the morning, you will have the opportunity to discover the Buccaneer Cove that is located just north of James Bay. It was known as a safe haven in the 17th and 18th century for pirates to stash their loot, take on fresh water and capture tortoises for food. It is a nice place for a zodiac ride, snorkeling and kayaking. Blue-footed, Nazca boobys, fur seals, and Galapagos hawks can be seen flying overhead.

Or visit to Espumilla Beach will take place. It is a pristine sandy beach and a popular place for marine iguanas and Sally Lightfoot Crabs. The crabs attract the hunting herons, performing the dance of predator and prey. With an abundance of marine life including octopi, moray eel, and shark, snorkeling is recommended and available.

In the afternoon, you will be taken to Rabida Island. Its main attraction is the red sand beach, famous for its cactus groves and rock formation scenery, aside from the vegetation of the arid zone and the presence of native and endemic species. During the walk on the red sand beach you will see brown pelicans' nests, and a lagoon where flamingos are seen from time to time.

(B, L, D)

## **SUNDAY**

### **SANTA CRUZ ISLAND: Mosquera Islet – BALTRA AIRPORT**

In the morning, visit to Mosquera, a small islet found between Baltra & North Seymour Islands. Lava gulls, sea lions, Sally light foot crabs inhabit this sand bank with an extension of over 600 meters. It also hosts the largest populations of sea lions and orca whales that can be seen occasionally depending on the season you visit the islet.

After this last visit, transfer to Baltra airport for your return flight to mainland Ecuador. Assistance and farewell at the airport.
