“ The kids’ club facilities are very big, and we were very impressed with the staff running the programs. There is a pool within the kid’s club and my child loves the cooking program. The water slide and splash pad keep my child occupied without my having to try so hard.

Cindy Choi ”

“ The Kids Club should not be missed! Our 10 years old daughter reluctantly tried in the first day to barely miss one single hour for the rest of the week. Full program runs from 10am to 6pm but one can choose by the hour. The service is truly unique with staff trying to do everything to have you happy.

Evangelos D ”

“ My son loves going to the Kids Club which is a surprise to me as he usually hates them. They have cleverly divided the Kids Club up to according to age, so all the kids do age appropriate activities unlike most other clubs. This place is so great for families with young and older kids.

Jef-0120 ”

“ The resort is highly recommended for family with young children. A special thanks to the staff at the Westin FAMILY Kids Club that provided a very positive experience for our children.

Arion P ”

“ Our 9-month old daughter Kelsey had a blast at the Cocoon Kids Club and received excellent care from Orianthi, Lia and the rest of the staff.

Traveller94115

The Kids Club is excellent with a great choice of activities; many thanks to all the staff there.
