The charms of Swedish Lapland are now even closer with direct flights from London Stansted to Lulea.

As the first snow begins to fall on Swedish Lapland, the unspoiled landscape is transformed into a glorious winter playground. At every turn picturesque scenes of snow-covered hills, pristine forests and frozen lakes and rivers can be enjoyed. This is the land of the Aurora Borealis and is also the ideal environment for winter activities including snowmobile, dog-sled, reindeer, snow shoe and northern light tours.
