More people are now purchasing Excess Insurance before they travel, finding it better value if renting for more than 7 days, or hiring a car abroad more than once a year. A number of companies such as [www.insurance4carhire.com](http://www.insurance4carhire.com) offer this product. This insurance covers not only the insurance excess but also the underside of the car, windows and tyres. Please ensure you have all necessary receipts before you leave the country should you need to make a claim, as you will have to pay and claim it back on your return to the UK.
