

Welcome to Sunvil

My team and I are delighted to welcome you to the Sunvil family and to our specialist Scandinavian holiday programme.

Inside this brochure you will find holidays designed by passionate travellers just like you; experiential holidays in authentic and uncommercialised destinations that will allow you to discover the real country. Think culture, gastronomy, wine and unmissable sights and experiences, including encounters with people and places, that will form unforgettable memories. This is a Sunvil holiday - your Sunvil holiday.

When I joined John der Parthog in 1970, we founded Sunvil based on trust, knowledge, passion and personal relationships, not only with our customers but with those who live and work in our destinations. This philosophy has not changed in over 45 years and is what we believe sets us apart today.

Each year, our specialist teams travel extensively within our destinations to uncover hidden gems and to handpick our holiday accommodation. Like people, a country develops and grows and with every trip we discover new attractions, breathtaking viewpoints and little-known places – often not found even in guidebooks.

Our holidays are trips that we would enjoy and choose for ourselves and our friends and family.

I guarantee that our specialist teams will be there for you from start to finish and that you will return enriched from your time abroad. You can of course contact me or any of the team directly should you have any questions or issues you would like to raise.

Welcome to the real Scandinavia

At any time of year, from the Northern Lights of winter to the Midnight Sun of summer, the Scandinavian countries provide some of the most unspoiled destinations in the world amidst a staggering array of spectacular, inspirational and dramatic wilderness scenery.

We have loved exploring the countries of Sweden, Norway and Denmark in search of holiday inspiration and hidden gems. This region and its people have firmly engrained themselves on our hearts and we look forward to sharing our experiences with you.

Not forgetting the delicious local produce, world-class museums, boutique shops and art galleries.

Holiday types

Winter breaks, polar nights and the Aurora Borealis:

The crisp winter landscape is a sight to behold and an experience that will excite all senses. Watch as the snow twinkles like a thousand diamonds in the low summer sun, listen to the crunch of the frozen ground beneath your feet and feel the warmth of a roaring fire.

Winter breaks and excursions are available in:
 Swedish Lapland (pages 28-37)
 Northern Norway and Svalbard (pages 54-63)

Outdoor experiences:

There is no such thing as bad weather, just bad clothing, is a saying that you will hear across Scandinavia. Living to this philosophy means that local residents are outside, whenever they can. Unspoiled nature is everywhere from archipelagos, to fjords, glaciers and mountain ranges, and the long summer daylight hours mean you have even more time to enjoy them.

Outdoor experiences available in:
 Stockholm's archipelago (pages 14, 16)
 The West Coast of Sweden (pages 24-27)
 Norway's fjord region (pages 46-53)
 Northern Norway and Svalbard (pages 54-63)

City Breaks:

Rome has history, Paris has style, Barcelona has Gaudi's cathedral but none of them have the fresh, natural appeal of the Scandinavian cities which, when combined with excellent shopping facilities, world-class museums and delicious cuisine cannot be beaten.

City breaks available in:
 Sweden: Stockholm, Malmö, Gothenburg and Luleå (pages 13, 17, 19, 22, 25, 28)
 Norway: Oslo, Stavanger, Bergen, Ålesund, Trondheim and Tromsø (pages 43, 45, 47, 48, 50, 51, 56)
 Denmark: Copenhagen (page 67)

Multi-centre holidays:

With a truly diverse landscape, Scandinavia is ideal for a touring holiday. Within our brochure, you will find a range of suggested holiday itineraries. These itineraries are mere examples of the holidays that we can arrange, and all can be tailor-made to meet your individual requirements. Multi-centre holidays including domestic flights, train transfers, Hurtigruten cruises and car hire (or a combination) can be arranged.

Multi-centre holidays are available in:
 Sweden (pages 16, 17, 23, 27, 35)
 Norway (pages 44, 45, 52, 53, 60, 61, 62)
